Luca Invernizzi

Business Administration student · Marketing, CRM and digital projects

luca.invernizzi@students.ffhs.ch | linkedin.com/in/lucainve | Portfolio: invernizziluca.github.io/work

PROFILE

Business Administration student (BSc, Digital Business, FFHS) with three internships in Berlin: sales and CRM at an event venue company, label operations at an independent music company and press and public relations at a federal funding body. My reference letters highlight conscientious, structured work, initiative and strong communication and networking skills. I am looking for internships and early-career roles in marketing, business development and project coordination in Germany, Switzerland and Poland.

EXPERIENCE

Initiative Musik gGmbH, Berlin 09/2026 – present
Intern, Press and Public Relations

- Wrote most of the copy for the published Instagram posts of the **APPLAUS Award 2026**; planned and wrote live stories at events.
- Media and social media monitoring, research and reports on social media figures; contributed to the newsletter, the website and community management.
- Editorial support for a venue profile on applaus-award.de; helped prepare the on-site branding of an Initiative Musik event.

Eintracht Pankow Musik GmbH, Berlin 08/2025 – 01/2026
Intern, Product Management and Label Operations, working closely with the managing director

- First contact and communication with potential new artists; attended industry events such as Reeperbahn Festival 2025.
- Set up and ran the label's YouTube channel; kept playlists, SoundCloud and lyrics (Musixmatch) up to date.
- Developed a regular mailout on social media and marketing trends for the artists; internal training on product setup and delivery in Believe's Backstage system; helped organise a three-day songwriting camp.

Gebrüder Fritz GmbH, Berlin 07/2025 – 10/2025
Intern, Sales, Marketing and Administration

- Maintained client data and deals in **Pipedrive** (CRM) from first contact to the offer stage; helped prepare offers and invoices in Sevdesk.
- Created and sent newsletter campaigns with Mailchimp; photo and video content in the corporate design; supported events from planning to breakdown.
- Prioritised tasks with the Eisenhower matrix; worked with Trello, Excel, OneDrive and Google Docs.

VOLUNTEERING AND OWN PROJECTS

Verbano Unihockey, Ticino 08/2024 – 09/2025
Volunteer, Digital Marketing and Social Media

- Editorial planning, website rework and sponsor communication; Instagram insights of the club account: **83,767 views in 14 days**, 59.8% from non-followers.

Own music project, Milan / remote 06/2024 – 07/2025
Artist Coordination and Digital Marketing

- Content and social media planning for independent artists; coordinated photos, videos and covers; some posts reached more than 30,000 views (self-reported).

EDUCATION

Swiss Distance University of Applied Sciences (FFHS) 02/2024 – expected 07/2028
BSc Business Administration, major in Digital Business. Research papers on social media marketing (vignette experiment) and on perceived authenticity (interviews); TOPSIM General Management business simulation; innovation project «PlasticBank 2.0».

Kantonsschule Bellinzona 08/2022 – 07/2023
Passerelle (university entrance examination after the vocational baccalaureate)

Scuola d'arti e mestieri Bellinzona (SAMB) 08/2018 – 07/2022
Automation technician (Swiss Federal VET Diploma) with vocational baccalaureate
